2. Cut four 1 1/2" x 2" rectangles, two from each sheet of double-sided DP, from the Happy B-Day Simply Scrappin' Kit.
3. With a Stamp-a-ma-jig and Basic Black classic ink, stamp your greeting onto the green "happy birthday" DP.
4. Cut a 2" piece of 5/8" Real Red Grosgrain ribbon and a 2" piece of 1/4" Certainly Celery Grosgrain ribbon.
5. Fold the ribbons in half, layering the Certainly Celery ribbon on top of the Real Red ribbon, and secure the ends together with a bit of Snail adhesive.
6. Stick the ribbon pieces to the back of the green "happy birthday" DP with Snail adhesive.
7. Center and stick your four pieces of DP to your card front using Stampin' Dimensionals.
8. With paper snips cut a very thin strip of Real Red CS and Certainly Celery CS.
9. Take a Real Red and a Certainly Celery button from the Playground and Sherbet Designer buttons collections.
10. Insert the co-ordinating sliver of CS into each button.
