Directions:

1. Take a 4 ¼" x 11" piece of Kiwi Kiss CS and fold it in half with your bone folder to create a 4 ¼" x 5 ½" card.
2. Stamp your greeting onto a scrap of Whisper White CS in Basic Black Classic ink. Trim around the greeting in a rectangular shape.
3. Place a little bit of Snail adhesive in the **center** of a 3" x 4 ½" piece of Island Oasis DP and stick it on an angle, onto a 4" x 5 ¼" piece of Kraft CS.
4. Slide the edge of the greeting piece underneath the top right corner of the DP and stick it down using Snail adhesive.
5. Stitch around the edges of the DP with a sewing machine and white thread. The stitches are about ⅛" in from the outer edges of the DP.
6. Sponge around the edges of the Kraft CS with Tempting Turquoise Classic ink and a wedge of Stamping Sponge.
7. Die cut a swirly strip out of Old Olive CS using your Big Shot and the Swirly Sizzlit Decorative Strip die.
8. Trim the swirl and position the pieces on the DP as desired. Stick them down with 2-way glue.
9. Pierce two holes, one above the other, in the top left corner of the DP using a paper-piercing tool and foam mat from the mat pack. Insert a silver brad into each hole and open the prongs at the back to secure.
10. Lay a 5 ½" piece of Old Olive Satin ribbon across the Kraft CS, about 1" up from the bottom edge. Bring the ends of the ribbon around to the back of the CS and stick them down using Snail adhesive.
11. Center and stick the Kraft CS onto the Kiwi Kiss card front using Stampin' Dimensionals.
12. Tie a 12" piece of Old Olive Satin ribbon in a bow around the first piece of ribbon. Position the bow towards the right of the Kraft CS.
13. Using Kiwi Kiss Classic ink, stamp 5 leaves onto a scrap of Whisper White CS. Stamp two flowers onto a scrap of Whisper White CS using Tempting Turquoise Classic ink. Cut out the leaves and flowers leaving a small border around them.
14. Stick the leaves and flowers onto the DP with Stampin' Dimensionals. You're done!
