## **Directions:**

1. Fold the  $5\frac{1}{4}$ " x  $10\frac{1}{2}$ " piece of Crumb Cake CS in half, with a bone folder, creating a  $5\frac{1}{4}$ " x  $5\frac{1}{4}$ " card base.
2. Stick the  $4\frac{1}{2}$ " x  $5\frac{1}{4}$ " piece of Basic Black CS to the folded card, about  $\frac{1}{4}$ " up from the bottom edge of the card, with double sided adhesive.
3. Stick the  $2$ " x  $5\frac{1}{4}$ " piece of DP  $\frac{1}{8}$ " down from the top edge of the  $4\frac{1}{2}$ " x  $5\frac{1}{4}$ " piece of Basic Black CS, with double sided adhesive.
4. Stick the  $3$ " x  $5\frac{1}{4}$ " piece of DP  $\frac{1}{8}$ " up from the bottom edge of the  $4\frac{1}{2}$ " x  $5\frac{1}{4}$ " piece of Basic Black CS, with double sided adhesive. Your two pieces of DP will slightly overlap in the middle.
5. Place the "sweetheart" sticker on the left hand side of the card, over the seam from the two pieces of DP.
6. Stick the "m" and "y" just above the cuff of the sleeve from the "sweetheart" sticker.
7. Stick the "U" and the "R" just to the left of the "my" above the "sweetheart" sticker.
8. Thread the  $8$ " piece of linen thread through the button hole on a black button. Trim off the excess linen thread and stick the ends of the linen thread down to the back of the button with a mini glue dot. Repeat with the remaining buttons.
9. Stick the three threaded buttons to the card in a cluster in the top left hand corner of the "sweetheart" sticker, with mini glue dots.
10. Cut the right hand end of each piece of ribbon on a slight angle.
11. Stick the right hand end of the Basic Black Gingham ribbon just below the "sweetheart" sticker with a mini glue dot.
12. Pull the remainder of the ribbon towards the left side of the card. Place a small staple over the left of the ribbon with the Tiny Attacher. Trim off the excess ribbon with paper snips. Repeat with the two remaining pieces of ribbon, adjusting the lengths of the ribbon so that they are offset from one another. You're done!
