Directions:

1. Create your bee following the directions in the video.

3. Take your Very Vanilla CS strips and with your Scallop Trim border punch create a border along the whole lengths. Sponge the trim with a touch of Basic Black Classic Ink. Place Snail adhesive or Sticky Strip along the length of the Very Vanilla border (on the un-punched side). Stick it to the box. Have the end piece finish along a back corner and overlap the starting end slightly. Trim away the scallops from the piece under the overlap so that the scallops don't over-lap.
4. Die cut the letters : M,i,n,e using your Big Shot and your Naturally Serif die. Stick it to the Very Vanilla border at the front of the box on the right hand side.
5. With Stampin' Dimensionals stick your bee to the Left hand side of the front of the box.
6. Punch some flowers with your Trio Flower punch from the Pretty in Pink CS and gently form them with your fingers. Stick them to the Very Vanilla CS border. There should be a total of 9. Two flowers per short side, and three flowers in the back and one in the front.
7. With your White gel pen, add a trail from the Bee, add white centers to each of the flowers, and highlights to the bee and letters.
8. Take your piece of 1 1/4" x 3 5/8" Sending Love DP and stick it to the top of the box.
9. With your Tombow multi purpose adhesive add some glitter to the flower on the front of the box. You are done!
