

Altered Clear Card Box Treat Holder Template

For clear card box that is 4 ½" wide x 6" high x ¾" deep

To create the **inside** portion to hold the lollipops you need a piece of CS that is 2-11/16" x 6-7/16". Score in 1" from all four sides (along the dotted lines) and cut along the red lines.

To create the **outside bottom cover**, you need a piece of CS that is 3-13/16" x 7-9/16". Score in 1 ½" from all four sides (along dotted lines) and cut along red lines. Scallop all four middle flaps (see tutorial for photos).

To create the **outside top cover** you need a piece of CS that is 4-13/16" x 8-9/16". Score in 2" from all four sides (along dotted lines) and cut along red lines. Scallop all four middle flaps as per tutorial.
