

Hot Cocoa & Gift Holder Template

Template for Holder: score in $3\frac{1}{2}$ " from both sides as shown by the arrows

Template for Hot Cocoa Pocket:

Because the score lines are so narrow (each flap is $\frac{3}{8}$ " wide), the easiest way to score the left and right sides of this piece is to score in at $4\frac{1}{8}$ " and $4\frac{1}{2}$ " and then rotate the CS 180 degrees and repeat on the other side. Score the bottom at $2\frac{1}{2}$ " and $2\frac{7}{8}$ ". Fold along the score (dotted) lines and cut out the shaded gray area.
